

Effie's of Perth

When You're Here, You're At Home

Effie and George welcome you to Effie's, Perth's finest Victorian Tearoom, where we pride ourselves on providing a high standard of service and producing our quality food and home baking on the premises.

All of our produce is locally sourced; our meats are supplied by 4th generation Beaton Lindsay Butchers, and our delicious salad dressing comes from Summer Harvest in Crieff; our coffee beans are roasted daily in Perth by John in The Bean Shop, all our vegetables come from Peter Martin Fruit Bazaar who have been supplying veg to the city for almost 100 years, and our fish is supplied from 4th generation George Campbell Fishmonger, landing haddock at Arbroath for over 100 years. Our crisps come from local carse potato supplied by Mackie's. Our jam strawberries are grown outside and have the taste of old fashioned jam, that your Gran used to make!

We look forward to seeing you time and time again!

You may come as a customer, but return as a friend.
